

## Memorandum

**Memorandum No: 22-049**

**Date:** April 18, 2022

**To:** Honorable Mayor and Commissioners

**From:** Chris Lagerbloom, ICMA-CM, City Manager

**Subject:** Broward Boulevard Closure for Florida East Coast Railway Crossing Rehabilitation UPDATE

---

On March 28, 2022, via Memo 22-046, I notified the City Commission that the Florida East Coast Railway (FEC) was planning to close the Broward Boulevard crossing for rehabilitation work. The Florida Department of Transportation (FDOT) recently informed City staff that the rehabilitation work has been delayed and will likely occur in August 2022 rather than May 2022.

Once FDOT and/or FEC provide additional details about the closure, City staff will share the general information to make the public aware of the project impacts.

If you have any questions, feel free to contact Ben Rogers, Director of Transportation and Mobility, at [brogers@fortlauderdale.gov](mailto:brogers@fortlauderdale.gov).
