

## Memorandum

**Memorandum No: 22-051**

**Date:** April 21, 2022

**To:** Honorable Mayor and Commissioners

**From:** Chris Lagerbloom, ICMA-CM, City Manager

**Subject:** Bayview Drive Mobility Project Construction

---

The Bayview Drive Mobility Project is scheduled to begin construction on April 27, 2022. This project is a grant funded project that will help calm traffic and add improved pedestrian facilities between Sunrise Boulevard and Commercial Boulevard. A pre-construction public meeting is being held on April 25, 2022, both in-person and virtually.

The Florida Department of Transportation (FDOT) has managed the delivery of the project through design and will continue to serve as the project manager throughout construction. The project scope includes adding sidewalks, crosswalks, bike lanes, and traffic calming in the form of raised intersections and traffic circles.

The final design was completed in November 2021 and the construction contract was awarded by FDOT in January 2022. The original project schedule anticipated construction beginning in the Fall 2022, however, FDOT has expedited the project to begin construction April 27, 2022. The new anticipated completion date is January 2023.

For further information, please contact Ben Rogers, Director of Transportation and Mobility, at [brogers@fortlauderdale.gov](mailto:brogers@fortlauderdale.gov).

# FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR

## INVITES YOU TO AN IN-PERSON CONSTRUCTION OPEN HOUSE AND VIRTUAL PUBLIC MEETING

### Bayview Drive Mobility Improvements Project

From SR 838/Sunrise Boulevard to SR 870/Commercial Boulevard  
Broward County, Florida  
Financial Project ID: 438118-1-52-01

### Bayview Drive Mobility Improvements Project

The Florida Department of Transportation (FDOT), District Four will host an in-person Construction Open House and Virtual Public Meeting regarding the mobility improvements along Bayview Drive in the City of Fort Lauderdale. Please see below for detailed meeting information.

The City of Fort Lauderdale, as the Project Sponsor, received funding through the Broward Metropolitan Planning Organization (MPO) and requested that FDOT District Four design and construct the Bayview Drive Mobility Improvements Project through the City of Fort Lauderdale Resolution 15-14. The Broward MPO is investing over \$300 million to create safer, healthier communities in Broward County and this project is one of many within a larger plan to create enhanced bicycle, pedestrian, and public transportation access. The Broward MPO is a federally-mandated agency responsible for setting policy on local transportation issues and deciding how to spend Federal and State funding on transportation projects in the Broward region. For more Broward MPO information, please visit: [BrowardMPO.org](https://www.browardmpo.org).

**Construction Cost:** \$2,543,608

**Construction Start:** April 27, 2022

**Estimated Completion:** Early 2023

#### PROJECT IMPROVEMENTS

- Providing continuous sidewalks on both sides of the road
- Adding bicycle lanes from NE 26th Street to NE 25th Place
- Installing mid-block crossings south of NE 19th Street and NE 45th Street
- Installing four mid-block crossings with Rectangular Rapid Flashing Beacons (RRFB) between NE 11th Street and NE 27th Street
- Raising the intersections at NE 14th Street, NE 18th Street, NE 27th Street, and NE 40th Street
- Constructing roundabouts at NE 37th Drive and NE 47th Street
- Widening the roadway from NE 23rd Street to east of NE 24th Court

#### TRAFFIC IMPACTS

- Single lane closures are permitted Monday through Friday, between 7:00 a.m. and 3:00 p.m.
- Pedestrian detours will be in place during sidewalk closures, as needed.
- Business and residential access will be maintained at all times throughout construction.
- Additional information about lane closures, detours, and pedestrian impacts will be provided in the weekly traffic report distributed by FDOT and can be viewed using the following link: [https://d4fdot.com/bcfdot/closures\\_index.asp](https://d4fdot.com/bcfdot/closures_index.asp)
