Memorandum No: 22-077

Date: June 24, 2022

To: Honorable Mayor and Commissioners

From: Chris Lagerbloom, ICMA-CM, City Manager

Subject: Broward Boulevard Closure for Florida East Coast Railway Crossing Rehabilitation

This memorandum shall serve as an update to Memorandum 22-049 that was issued on April 18, 2022.

On June 23, 2022, the Florida Department of Transportation (FDOT) notified the City that the Florida East Coast Railway (FEC) will be closing Broward Boulevard for approximately four days beginning August 27, 2022. The closure will allow for routine crossing maintenance to be performed.

Once FDOT and/or FEC provide additional details about the closure and proposed Maintenance of Traffic (MOT) plan, City staff will share the general information to make the public aware of the project impacts.
