Re: Tunnel Top Park – Concrete Samples

The Florida Department of Transportation (FDOT) has provided notification that the concrete samples for the Tunnel Top Park have been poured at Snyder Park. FDOT seeks City confirmation on the selected colors, patterns, and textures before installation begins. In order to avoid project delays, staff anticipates providing FDOT with feedback by Friday, October 14th.

Should you want to review the concrete samples, please contact Ben Rogers, Director of Transportation and Mobility, at 954-828-3781 or via email at brogers@fortlauderdale.gov to schedule a tour.

In addition to this information, staff is scheduled to provide a brief project update at the October 18, 2022, City Commission Conference meeting.
