

Memorandum

Memorandum No: 24-166

Date: November 26, 2024

To: Honorable Mayor & Members of the Fort Lauderdale City Commission

From: Susan Grant, Acting City Manager *Susan Grant*

Re: Updated: Streetlight Outages

The City of Fort Lauderdale has approximately 18,000 streetlights, with the majority (over 14,500) owned and maintained by Florida Power & Light (FPL). The City is responsible for the maintenance of roughly 3,200 streetlights. Streetlight outages can result from a variety of causes, including but not limited to burnt bulbs, blown fuses, damaged wiring, adverse weather, construction activities, and physical damage to poles and fixtures from vehicle accidents or vandalism.

There are multiple areas across the city that currently have street light outages. Efforts are underway with FPL and City crews to address these issues as quickly as possible. The areas impacted are highlighted below:

Agency	Light Type	Location	Area	Status
FPL	Street	State Road A1A	Bo's Beach to Beach Place	FPL currently replacing transformer. Estimated repair November 27.
City	Pedestrian	State Road A1A	East side RioMar to NE 9 <sup>th</sup> Street	Repaired
FPL	Street	State Road A1A	Adjacent to Birch State Park	Estimated Repair November 27
FPL	Street	Federal Highway	NE 26 <sup>th</sup> Street to Commercial Blvd	Repaired
City	Street	Las Olas Blvd	Hendricks Isle to Nurmi Isle	Repaired

\*FPL has been notified and coordination efforts are ongoing

Residents are encouraged to report any additional outages or concerns to the City by calling 954-828-8000 or submitting a service request through the FixItFTL mobile application or online at [www.fortlauderdale.gov/fixitftl](http://www.fortlauderdale.gov/fixitftl).
