

### NE 25<sup>TH</sup> AVENUE SEWER FORCE MAIN REPLACEMENT PROJECT

The City of Fort Lauderdale is working with David Mancini & Sons, Inc. to replace 10,000 feet of sewer force main along NE 25th Avenue from Commercial Boulevard to the Coral Ridge Country Club in the Coral Ridge Country Club Estates neighborhood. This project includes:

- Installing new sewer force mains measuring 24-48 inches in diameter made from high-density polyethylene to replace the existing cast iron force mains
- Connecting the new sewer force mains to nearby existing lines, including those along NE 49th Street and NE 48th Lane
- Resurfacing the roadway as needed

Crews installed the new sewer force mains utilizing a combination of open-cut and trenchless technology to expedite completion and minimize impacts to the community.

#### Construction Update

- The sewer force main installation has been completed. Crews are restoring landscaping, irrigation and driveways that were impacted by construction.
- Once the restoration is completed, NE 25th Avenue will be resurfaced from Commercial Boulevard to NE 40th Street. Driveway access to some homes will be temporarily limited for approximately 24 hours during this work. The contractor will coordinate with impacted residents prior to the start. Roadway resurfacing is expected to be completed in February 2025.
- Overall completion is expected in March 2025.

#### Traffic Impacts

- NE 25th Avenue remains open to local traffic.
- Traffic control personnel are available to assist NE 25th Avenue residents as needed.
- Please follow posted signs and drive with caution in the area.

We apologize in advance for any inconvenience and thank our neighbors for their patience during construction. Visit [ftlcity.info/ne25avesfmrp](http://ftlcity.info/ne25avesfmrp) to see updates during construction and learn more.
