Re: **City Hall Garage Repairs Update**

On June 28, 2024, via Transportation and Mobility memo 24-16, the Acting City Manager declared a state of procurement emergency pursuant to Florida Statute 255.0525 for City Hall Garage repairs. After which time, the City onboarded a contractor to address the conditions.

The City's structural engineering consultant, Lakdas/Yohalem Engineering, Inc. has confirmed that the critical structural restoration of the City Hall parking garage is complete.

The contractor is finalizing the remaining repairs, which are not critical to the structural safety of the garage. The remaining work should be completed by the end of April 2025.
