

## Memorandum

**Memorandum No: 25-008**

**Date:** February 3, 2025

**To:** Honorable Mayor, Vice Mayor, and Commissioners

**From:** Susan Grant, Acting City Manager *Susan Grant*

**Re:** Broward Metropolitan Planning Organization Safe Streets for All Grant Public Meetings

The intent of this memorandum is to inform the City Commission of the upcoming public meetings associated with the Broward Metropolitan Planning Organization (MPO) Safe Streets and Roads for All (SS4A) effort.

As a part of the overall initiative to develop the Broward Safety Action Plan to reduce traffic related fatalities and serious injuries in Broward County, the MPO is conducting eleven detailed corridor safety studies across the County to review current conditions and make recommendations for improvements to create safer streets.

Last fall, the MPO held public meetings to collect input from residents and conducted technical walking audits to review existing conditions. Based on that feedback, the project team put together recommendations which will be presented at public meetings listed below for the four corridors located within the City. Several of the corridors cross over multiple municipalities and are under a variety of jurisdictions.
