Dear City of Fort Lauderdale Parks Board Members,

As the principal of Harbordale Elementary, I would like to extend my sincere gratitude to the Harbordale Civic Association and Commissioner Ben Sorensen for their dedication and efforts in securing funding allocations for Harbordale as part of the Joint Usage Parks program between the City of Fort Lauderdale and schools. Your commitment to enhancing community spaces is truly appreciated.

Harbordale is thrilled to be a part of this initiative, and we eagerly anticipate the positive impact this playground enhancement will have on both our students and the Harbordale community.

As the school leader, I wholeheartedly support the reallocation of funds from Welcome Park to the Joint Use Playground for Harbordale. These additional resources will allow us to further enhance the playground, creating a more enriching and accessible space for both school and community use.

Thank you for your continued support and investment in our students and community. We deeply appreciate your partnership in this meaningful endeavor.

Best regards,

Jennifer Kashdin
