Quality, convenient care.

And make it quick.

Convenience Care/Retail Clinics

Sinus infection. Rash. Earache. Minor burn. These are all reasons you'd want to see your doctor. But what if your doctor isn't available to see you? When you need face-to-face routine medical care but can't wait for an appointment, consider using a Convenience Care/Retail Clinic (not to be confused with an urgent care center). You can get quick, convenient access to quality medical care at a lower cost than urgent care. A Convenience Care/Retail Clinic nurse practitioner or a physician's assistant can treat you for a range of minor illnesses and provide routine vaccinations. You can find Convenience Care/Retail Clinics in grocery stores, pharmacies and other retail stores.

To find a Convenience Care/Retail Clinic near you, go to myCigna.com® or call the toll-free number on your Cigna Healthcare℠ ID card.

A Convenience Care/Retail Clinic can be used for:*

Offered by Cigna Health and Life Insurance Company.

*Not all Convenience Care/Retail Clinics offer the same suite of services.

The listing of a health care provider or facility in the network directory does not guarantee that the services rendered by that provider or facility are covered under a specific medical plan. Check your official plan documents for complete details about costs and the services covered under your plan benefits. The information provided here is for informational purposes only and is not intended to be a substitute for professional medical advice relative to a specific medical question or condition. During a medical emergency, you should always visit the nearest hospital or call 911 for assistance.

Product availability may vary by location and plan type and is subject to change. All group health insurance policies and health benefit plans contain exclusions and limitations. For costs and details of coverage, review your plan documents.
