Save with labs in the Cigna Healthcare network.

You can save up to 85% on your lab work!*

You can choose to go anywhere for your lab work, from the lab associated with your doctor's office to an on-site hospital lab. But you'll enjoy the same high-quality service – **while saving up to 85%** – at Quest Diagnostics® or Laboratory Corporation of America® (Lab Corp). Choose from hundreds of locations nationwide and start saving today!

- Average LabCorp or Quest cost: $8.60
- Average other lab cost: $17.44
- Average outpatient hospital lab cost: $56.38

Visit **myCigna.com**® or call the toll-free number on your Cigna Healthcare℠ ID card to learn more.

* Savings based on average Quest/Labcorp costs compared to labs done at other ancillary, outpatient hospital and non-par labs. These values are based on the top utilized reference laboratory tests in 2022.

Health care professionals and facilities that participate in the Cigna Healthcare network are independent contractors solely responsible for the care and services provided to their patients. They are not agents of Cigna Healthcare.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation, including Cigna Health and Life Insurance Company (CHLIC), Express Scripts, Inc., or their affiliates.
