

Hello Commissioner,

Thank you for your support of the Joint Use Playground at Harbordale Elementary School. At the March 5, 2025 meeting of the Harbordale Civic Association, members voted unanimously to support the repurposing of Park Bond Funds from the Welcome Park in Harbordale to the Joint Use Playground at Harbordale Elementary School.

We intend to be at the next Parks and Recreation Board Meeting to support this change and at the City Commission when the item is heard.

This was a long process that started in your previous term. Your support at that time was crucial in getting the Joint Use Playground at Harbordale into the Parks Bond Program.

Let's hope we are in the final stretch.

Marilyn Mammamo, President
