Police Department

# Police Department

## Department Description

The Fort Lauderdale Police Department (FLPD) operates under the organizational leadership of the Office of the Chief, supported by the Support Services, Operations, and Investigations Bureaus. Emphasizing a collaborative policing philosophy, the Department fosters partnerships with community members to reduce crime and enhance quality of life. By adopting a proactive and forward-thinking approach, FLPD addresses concerns before they escalate into larger issues. Data-driven performance metrics shape its crime prevention strategies and public safety initiatives, ensuring adaptability to the community's evolving needs. Reflecting its commitment to excellence, the Department has maintained accreditation from the Commission for Florida Law Enforcement Accreditation since 2001 and has earned its fourth Excelsior Award.

The Police Department's resource allocation and initiatives described in this section advance and achieve the following strategic goal to become the "City you never want to leave."

### PRESS PLAY FORT LAUDERDALE 2029 STRATEGIC PLAN

Goal 1: Be a safe community that is proactive and responsive to risks.

## Office of the Chief

### Bureau Description

The Office of the Chief directs the activities of FLPD. Units that offer administrative support to the entire Department are administered directly from this Office. The units include Staff Inspections/Accreditation, the Office of Internal Affairs, Legal, Media Relations, Public Safety Grants Unit, and Detail Office Administration, as well as a Photographic Lab.

The Staff Inspections/Accreditation Unit maintains the agency's professional standards and accreditation status. The Unit conducts agency-wide inspections to ensure compliance with current policy and best practices.

The Office of Internal Affairs (IA) handles investigations into police misconduct, monitors use-of-force incidents, and ensures disciplinary actions adhere to due process. Given the sensitive nature of its responsibilities, IA is located outside of the Police Headquarters.

The Legal Unit is responsible for providing legal opinions on law enforcement issues that relate to the operations of the Department. The Unit is comprised of an assistant city attorney and support staff that are assigned to the Police Department by the City Attorney's Office.

The Media Relations Unit delivers the message of the Department to media outlets and the public at large. The Unit is responsible for processing public records requests and disseminating neighbor engagement information using a variety of platforms including social media.

The Public Safety Grants Unit actively researches and applies for federal, state, and county grants to enhance public safety and ensure the Department adheres to grant requirements.

The Detail Office Administration Program reviews operations for detail activities, ensuring alignment with departmental needs and compliance with applicable policies. The Photographic Lab is responsible for developing and printing film generated by the Department.

The Office of the Chief also focuses on the development and implementation of the Department's objectives and performance measures. This oversight ensures that initiatives and performance indicators are effectively monitored, reported, and analyzed, enabling the achievement of strategic goals through performance management.

### FY 2025 Anticipated Major Accomplishments

- Expanded the online incident reporting system, which allows the public to submit police reports that do not require a physical police response
- Enhanced the operations of the newly formed Detail Office Administration Program to improve detail officer activities throughout the City
- Created a Recruitment and Retention Incentive Program to award monetary compensation for the successful recruitment of a police officer
- Enhanced customer service with the addition of five (5) receptionist positions to support the 24-hour operation of the lobby at the new Police Headquarters

## Office of the Chief, continued

### **FY 2026 Major Projects and Initiatives**

- Oversee the move of the Department into the new Police Headquarters
- Refine the public safety information technology support function within the Bureau

# Police Department

## Support Services Bureau

### Bureau Description

The Support Services Bureau (SSB) recruits, trains, and develops the Police Department's employees. Members of the Support Services team assist with the acquisition and management of resources for the agency's operations and investigative functions. The Bureau is also responsible for maintaining records, fleet, and managing the construction of the new police headquarters building. The Bureau - comprised of finance, records, training, logistics, background investigations, and psychological services program - seeks best practices and technologies to enhance the Department's effectiveness.

The Finance Unit is responsible for the coordination of the Police Department's fiscal management, including payroll and personnel activities. The unit includes the following activities: personnel/payroll, budgeting, asset forfeiture, and accounting units.

The Records Unit utilizes a centralized records management system to maintain all forms of internal documents received by the Department to include those needed by the court system and the public. The unit includes the following activities: records, teletype, evidence, and court liaison.

The Training Unit is responsible for ensuring officers complete all mandatory courses required by the Florida Criminal Justice Standards and Training Commission, Florida State Statutes, the Florida Department of Law Enforcement, and the Fort Lauderdale Police Department.

The Logistics Unit is responsible for the body worn camera program, police fleet, and departmental assets and includes the following activities: fleet services, police supply, reception, and communication and technology.

The Backgrounds Unit plays a crucial role in identifying and selecting the most qualified candidates for both sworn and civilian positions within the Police Department. This unit manages the recruitment process and maintains detailed documentation as candidates progress through hiring and training. The unit is comprised of two (2) key areas: recruiting and background investigations. The recruiting team focuses on promoting career opportunities within the Police Department and attracting prospective applicants. The background investigations team conducts thorough screenings to ensure candidates meet the rigorous standards required to become City employees.

The Psychological Services Program offers counseling services to Police Department employees and their immediate families as well as providing training and support for the Peer Support Team and the Crisis Negotiation Team. This unit is comprised of police psychologists, employee wellness coordination office, police chaplains, and the peer support team.

### FY 2025 Anticipated Major Accomplishments

- Transitioned to the body worn camera upgrade for sworn and professional staff in the Digital Evidence Unit; these cameras have extended battery lives, improved Global Positioning System (GPS) location mapping, and an improved field of view
- Procured, upfitted, and delivered vehicles in the Fleet and Logistics Unit to provide FLPD with over 100 new law enforcement and specialty vehicles to assist with public safety

# **Police Department**

## **Support Services Bureau, continued**

### **FY 2026 Major Projects and Initiatives**

- Explore strategies for implementing a Correctional and Behavioral Assistance Center
- Replace older tablets that are used to photograph crime scenes and record victim and witness statements with cell phones; the mobile devices will further be used as a communications platform to assist FLPD personnel with investigations and provide improved customer service

# Police Department

## Operations Bureau

### Bureau Description

The Operations Bureau is responsible for delivering uniformed police services across the City, responding to 911 emergency calls and non-emergency calls, providing proactive patrols, and upholding laws and ordinances to serve the community. Operating 24 hours a day and seven (7) days a week, the Bureau ensures the physical presence of law enforcement across the City's three (3) police districts.

This Bureau is organized into three (3) divisions: the Patrol Division handles routine policing duties, the Operations Support division provides additional resources and assistance, and the Specialized Operations Division focuses on specific, mission-critical tasks.

The Patrol Division, the largest division in the agency, is comprised of the City's first responders for all law enforcement aspects. The Patrol Division performs initial law enforcement tasks and includes officers assigned to District patrol operations and Public Safety Aides. All members of the division are responsible for building positive relationships with the community; thereby, ensuring the best quality of life possible for neighbors throughout Fort Lauderdale. The Special Weapons and Tactics Team (SWAT), Crisis Negotiators, and Bomb Squad are also housed in this division.

The Operations Support Division includes the following: Field Training Officer Program, Driving Under the Influence (DUI) Unit, Honor Guard, LGBTQ+ Liaison Unit, Crime Prevention Unit, Reserves and Detention Unit, Tactical Bicycle Platoon Unit, Dive Team Unit, School Crossing Guards Unit, School Resource Officers Unit, Apprehension K-9 Unit, Bomb Detection K-9 Unit, Emotional Support K-9 Unit, Community Support Units, Station Report Unit, and the Crime Prevention Unit.

The Special Operations Division includes the following: the Special Events and Emergency Management Unit, Park Rangers Unit, Homeless Outreach Unit, Code Enforcement Unit, Environmental Crimes Unit, Traffic Certified Civilian Program, School Zone Speed Enforcement Camera Program, Marine Unit, Mounted Unit, Motor Unit, and the Police Explorers.

### FY 2025 Anticipated Major Accomplishments

- Created a community-based violence prevention group to reduce gun violence and decrease the number of victims affected by gun violence within the City
- Initiated training for Community Support Unit (CSU) officers in crime prevention techniques offered through the Crime Prevention Through Environmental Design (CPTED) Association to address concentrated crime from targeted burglaries
- Developed a School Zone Speed Enforcement Camera Program to assist in reducing the speed of vehicles within school zones throughout the City

# **Police Department**

## **Operations Bureau, continued**

### **FY 2026 Major Projects and Initiatives**

- Increase the number of homeless outreach reunifications to connect and reunify homeless individuals with their families
- Increase the Operations Bureaus' response to complaints, such as homelessness, noise disturbances, and possible minor crime issues like misdemeanor larcenies, with a focus on efficiency and transparency by incorporating all complaints into the City's FixIt FTL customer service application
- Use analytics to develop proven response techniques for the most common complaints such as those that have repeated trends in location, subjects involved, and times, and marshal resources to increase the solvability of those reoccurring complaints
- Develop an efficient scheduling system for patrol that maximizes coverage, increases officer safety, and mirrors national guidelines on personnel allocation

# Police Department

## Investigations Bureau

### Bureau Description

The Investigations Bureau is tasked with investigating various types of criminal activity and implementing proactive enforcement strategies to deter crime. Working in coordination with other Department bureaus, the Investigations Bureau aims to reduce and solve crimes through both initial and follow-up investigations.

This Bureau is organized into three (3) divisions: the Criminal Investigations Division (CID) handles general criminal cases, the Violent Crimes Division (VCD) focuses on offenses involving violence, and the Special Investigations Division (SID) addresses specialized and complex criminal matters.

The Criminal Investigations Division is responsible for the follow-up investigation of a variety of crimes which includes the following: Burglary Unit, Larceny/Auto Theft Unit, the Economic Crimes Unit, Traffic Homicide Investigations Unit, Case Management Unit, the Crime Analysis Unit, and Real Time Crime Center.

The Violent Crimes Division is responsible for the follow-up investigation of “persons” type crimes and includes the following units and teams: Violent Crimes, Homicide, Fugitive, Endangered Persons (Human Trafficking, Internet Crimes Against Children and Missing Persons), Special Victims Unit (SVU), and Forensics (Crime Scene, DNA Analysis, Digital Forensic Lab, Gun Intelligence Unit, and Fingerprint).

The Special Investigations Division is responsible for proactive policing efforts used to eradicate all levels of drug and vice activity. The Special Investigations Division includes the following activities: the Drug Enforcement and Vice Unit, Major Narcotics Unit, Threat Response Unit, Technical Support Services, Nuisance Abatement, and task force officers assigned to various federal agencies.

### FY 2025 Anticipated Major Accomplishments

- Enhanced the Department’s response to violent crimes by transforming the Rapid Offender Control Unit into the newly expanded Gun Intelligence Unit; as a part of this unit, personnel respond in real time to violent crimes, implement best practices to respond to ShotSpotter gunshot detections, conduct follow-up investigations, and quickly process and submit evidence recovered from crime scenes to the National Integrated Ballistic Information Network (NIBIN)
- Increased the Department’s ability to respond to gunfire incidents quickly and safely by expanding the ShotSpotter gunfire locator technology service area by 2.1 square miles which encompasses Melrose Park, Melrose Manors, portions of Sailboat Bend, and the Downtown Entertainment District; the expansion will result in a total of 6.8 square miles of coverage across the City
- Enhanced the Mobile Crime Scene Van (MCSV) with technology and equipment upgrades to ensure the vehicle allows for the effective collection, documentation, and forensic processing of evidence at major crime scenes

# **Police Department**

## **Investigations Bureau, continued**

### **FY 2026 Major Projects and Initiatives**

- Enhance regional collaboration efforts with other agencies to improve communication and response to threat and drug trends, as well as response and investigation of violent and property crimes
- Augment current technology to more effectively process crime scenes and traffic homicide scenes
- Expand the Community Support Units' community outreach efforts by sharing information and crime trends with the public to improve safety and further reduce crime
- Establish formal training programs for key positions affected by attrition to ensure operational continuity, maintain investigative excellence, and enhance case resolution efficiency
- Implement protocols for the deployment of the MCSV to streamline and increase the efficiency of crime scene processing

# **Police Department**

## **Confiscation/Forfeiture Trust**

### **Division Description**

The Police Legal Unit, in conjunction with the Confiscation Unit, is responsible for all property seized by the Department in accordance with the Florida Contraband Forfeiture Act. When property is seized by an officer, an evaluation of the property is conducted to determine its value and identify all potential claimants that are entitled to a statutorily required notice of confiscation. The notice informs the potential claimant that property has been seized and that they have rights, with regards to asserting a claim, to the seized property. Beyond ensuring that notices are sent to potential claimants, the unit is responsible for filing the forfeiture actions and prosecuting the matters in Circuit Court. The unit also works in conjunction with the Police Finance Unit to ensure that the statutorily required annual reports of all forfeitures are properly filed with the Florida Department of Law Enforcement.

All property awarded to the Police Department in accordance with the Florida Contraband Forfeiture Act is either sold at auction or re-purposed. The proceeds of any sales are deposited in the State Trust Fund for use by the Department. The proceeds may be used for the following programs and activities: school resource officers, crime prevention, safe neighborhood programs, drug abuse education and prevention programs, or for other law enforcement purposes. This can include defraying the cost of protracted or complex investigations, providing additional equipment or expertise, purchasing automated external defibrillators for use in law enforcement vehicles, providing matching funds to obtain federal grants, and funding the cost of confiscating property and prosecuting actions under the Act.

# Police Department

## Department Performance Measures

Strategic Plan Goal	Performance Measure	FY 2023 Actual	FY 2024 Actual	FY 2025 Projected	FY 2025 Target	FY 2026 Target
Goal 1: Be a safe community that is proactive and responsive to risks	NIBRS Group A crime rate per 10,000 population <sup>1</sup>	832.4	759.1	689.3	≤783.2	≤634.2
	Average response time (mm:ss) for 911 (Priority 1) calls for service (Constant) <sup>2, 3</sup>	4:40	4:43	4:41	≤4:38	≤4:38
	Average response time (mm:ss) for 911 calls for service (Priorities 2-4) <sup>2, 3</sup>	6:22	6:17	6:17	≤6:20	≤6:20
	Average response time (mm:ss) for non-emergency calls for service (all priorities) <sup>2</sup>	5:21	5:33	5:30	≤5:30	≤5:30
	Average hold time (mm:ss) for 911 calls for service (call received to call dispatched, all priorities) <sup>3, 4</sup>	28:31	26:47 <sup>5</sup>	27:00	≤30:00	≤27:00
	Average hold time (mm:ss) for non-emergency calls for service (call received to call dispatched, all priorities) <sup>3, 4</sup>	31:44	28:51 <sup>5</sup>	27:00	≤30:00	≤27:00
	Vacancy rate (sworn personnel) <sup>6</sup>	6.4%	2.8% <sup>5</sup>	3.7%	≤4.0%	≤4.0%
	Vacancy rate (professional personnel)	14.2%	10.6%	9.0%	≤4.0%	≤4.0%

<sup>1</sup>Group A crime rate is based on data in FLPD's records management system and is subject to change after FDLE validates and audits totals

<sup>2</sup>Priorities are set by a call taker at the Broward County dispatch call center based on the information provided by the caller. There are four priorities: (1) immediate threat of bodily harm or loss of life, (2) immediate threat of loss of property, (3) calls of routine nature, (4) delayed calls that do not require an urgent response.

<sup>3</sup>The FY 2024 Actual excludes Quarter 1 data as it is not available

<sup>4</sup>Hold time is defined as the time from when a call is received at the Broward County dispatch call center to when it is relayed to a dispatcher that dispatches an officer to the scene; the hold time is based on priority and the availability of officers at the time the call is received

<sup>5</sup>Data correction

<sup>6</sup>The vacancy rate is based on the number of sworn personnel that have officially completed the hiring process; new hires may not have completed the Police Academy

# FY 2026 Decision Package Form

## Police Department

**Priority Number:** 1  
**Title of Request:** Special Event Overtime  
**Request Type:** Program - New

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
0.00	0.00	0.00	0.00	10/25

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

In FY 2024, the Fort Lauderdale Police Department provided security for numerous City-sponsored and special events, resulting in \$1,884,095 in overtime costs. Major events covered include the Great American Beach Party, Halloween Downtown, Fourth of July, Labor Day, Light Up Sistrunk, Light Up the Beach, Light Up the Galt, Memorial Day Weekend, the Martin Luther King Parade, New Year's Eve, the Sistrunk Festival and Parade, and the Spring Break season.

Over the past five years, the number of events requiring police presence have steadily increased, leading to higher overtime demands. While the Department has increased the event coverage and the number of personnel supporting these events, there has not been a commensurate increase in the Department's overtime budget. This has resulted in insufficient funding to cover rising event security duties.

**Can this function be better if performed by a third party? Why or why not?**

No. This type of service can only be provided by Police Department.

**Will this request have space needs?**

No.

**Performance Measures:**

Measure Description	Current Year Projection	Next Year Without Funding Projection	Next Year Target with Funding Projection

**Strategic Connections:**

Focus Area: Public Safety  
 Goal: Public Safety - Be a safe community that is proactive and responsive to risks  
 Source of Justification: Press Play Fort Lauderdale 2029, A 5-Year Strategic Plan

**Funding Requests:**

Cost Center	Account	Activity Code	Account Title	Cost Description	Budget Request	Year 2 (Ongoing)

## Police Department

**Priority Number:** 2  
**Title of Request:** Maintenance of New Police Headquarters Building  
**Request Type:** Program - New

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
0.00	0.00	0.00	0.00	01/26

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

The Police Department is requesting ongoing operational funding to support and maintain the new police headquarters. The move-in date is anticipated to be early next year. As with any major capital investment, proactive maintenance is essential to care for the facility to extend its lifespan and prevent costly repairs. This request includes the following components:

**Exterior Maintenance:** A portion of the enhanced operational funding will support routine exterior maintenance to protect the building and maintain its appearance. This includes scheduled pressure washings and regular window cleaning - particularly for high-visibility, public-facing areas.

**Landscaping:** This request includes funding to landscape and maintain the common, open space areas outside the police headquarters. Monthly landscape services will cover tree trimming, plant replacement, and sidewalk cleaning to ensure a well-kept exterior that is clean, safe, and inviting.

**Interior Maintenance:** This request funds both internal staff and contracted services for the maintenance of carpets, flooring, and general surface cleaning. Additionally, this request includes \$62,600 in one-time capital funding for maintenance equipment including specialty ladders, a carpet cleaning machine, a floor polishing machine, and a scissor lift. High standards of cleanliness are especially important as the building will serve as a venue for City Commission and advisory board meetings.

**Utilities and Service Contracts:** Funding is included to support utility costs associated with operating a larger, modern facility—covering electricity, water, sewer, and natural gas. Additionally, the request provides for annual service contracts needed to maintain fire suppression systems, alarms, generators, security systems, and other critical equipment.

**Elimination of Substation Costs:** With police operations consolidated into the new headquarters, funding will be removed from several leased facilities, including the 13th Street Substation, evidence warehouse, recruitment office, and leased gun range. This will result in an estimated \$259,042 in savings starting in FY 2026, and \$489,440 in annual savings beginning in FY 2027. These savings will help offset the ongoing operational costs of the new facility.

With these considerations in mind, the Police Department is requesting enhanced ongoing funding to maintain this new facility to the highest standards.

**Can this function be better if performed by a third party? Why or why not?**

Some components of this request will be performed by a third-party, while others will be managed by the Police Department's facility maintenance team.

## Police Department

**Priority Number:** 3  
**Title of Request:** Equipment to Enhance Neighborhood Security  
**Request Type:** Program - New

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
0.00	0.00	0.00	0.00	10/25

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

The Police Department is requesting the purchase of three (3) additional message boards with integrated License Plate Readers (LPRs) and two (2) tower surveillance camera trailers to enhance community policing efforts. The Department currently has two (2) message boards and one (1) tower surveillance camera trailer as well as 137 active LPRs around the City. In FY 2024, LPRs captured several incidents, which include the identification of 1,597 stolen license plates; 1,326 stolen vehicles; 324 wanted individuals; 51 protection orders; and 24 felony vehicles.

To further expand communication efforts, the Police Department seeks to deploy message boards at large scale City events, protests, and during natural disasters or severe weather events – such as flooding, road closures, and infrastructure failures. The boards will help manage pedestrian and vehicular congestion, share public service announcements, promote traffic education and enforcement, and provide integrated LPR technology to identify tags and alert officers of stolen or wanted vehicles. Since in-person communication may not always be possible, message boards provide an effective way to reach both neighbors and seasonal visitors, including those who may not routinely access the City's website or social media platforms.

In addition, the Department aims to improve security at parking lots and large-scale public gatherings. The requested tower surveillance camera trailers will offer elevated, live-streamed video coverage of key areas, delivering real-time intelligence to officers and capturing footage that can support suspect identification and prosecution efforts.

**Can this function be better if performed by a third party? Why or why not?**

No. By having the surveillance function performed through an integrated process alerting sworn officers, action can be taken in a timely fashion. A third party cannot provide this level of operational awareness and response.

**Will this request have space needs?**

No.

**Priority Number:** 4  
**Title of Request:** Special Event Public Safety Initiative  
**Request Type:** Capital Outlay

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
0.00	0.00	0.00	0.00	10/25

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

The Police Department is requesting the purchase of additional closed-circuit television (CCTV) cameras and vehicle stop barriers to improve public safety and crime prevention in the Himmarshee, Las Olas, and Sistrunk corridors. The integration of high-resolution surveillance cameras will provide real-time monitoring capabilities, allowing law enforcement to respond more effectively to incidents in these densely populated and tourist-based areas. Live feeds from the cameras will be processed through the Real Time Crime Center (RTCC) and the Police Department's Operation Center. Additionally, vehicle stop barriers will be installed at key pedestrian-focused areas to mitigate the risk of vehicle-related incidents.

The Department estimates that CCTV cameras typically last three (3) to four (4) years, but beach cameras have a lifespan of about two (2) years due to continuous exposure to wind, salt air, and humidity.

Breakdown of requested equipment:

- **CCTV Cameras – Himmarshee Entertainment District: 9 Units – \$138,833**
  - Seven (7) multi-lens cameras (coverage of the street)
  - One (1) multi-lens camera (covering the entrance to the parking garage)
  - One (1) long distance pan-tilt zoom camera (covering east beyond the train tracks)

There are currently no permanent cameras installed; however, three (3) temporary cameras are in place along the Himmarshee corridor. These cameras are mobile and can be repositioned as needed to provide coverage for events.

- **CCTV Cameras – Downtown Las Olas: 14 Units – \$224,148**
  - 14 Multi-lens cameras (coverage of the street)

There are currently no cameras installed along the Las Olas corridor.

- **CCTV Cameras – Sistrunk: 34 Units – \$725,884**
  - 18 Multi-lens cameras (coverage of the street)
  - 16 Pan tilt zoom cameras (replacement of existing cameras)

The Sistrunk corridor is currently equipped with 16 cameras, 15 of which were installed over five (5) years ago and have now reached the end-of-life cycle. The Department is requesting to replace all 16 cameras to ensure continued service in this area.

- **Meridian Rapid Barriers: Two (2) Units – \$248,180**
  - Each unit contains eight (8) barricades, bringing the total request to 16 rapid barriers.

- **Padlock Removable Bollards: 100 Units – \$160,000**
  - This request includes the cost of both equipment and installation.

Due to the nature of this equipment, fiber infrastructure is necessary. The Department estimates that approximately 1.69 miles of fiber will be required across the three (3) camera locations. The Department is working on obtaining quotes for this work, but industry estimates range upwards of \$60,000 per mile, which would be approximately \$100,000.

**Can this function be better if performed by a third party? Why or why not?**

No. The required camera elements must be viewed by sworn officers.

**Will this request have space needs?**

No.

## Police Department

**Priority Number:** 5  
**Title of Request:** Forensic Specialist  
**Request Type:** Position Request - New

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
1	0.00	0.00	1	12/25

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

The Police Department requests one (1) full-time Forensic Specialist position to enhance DNA review and processing capabilities to address the increased workload within the Investigations Bureau. Currently, the Department's Forensic Specialist processes over 800 samples per year and the backlog for reviewing and validating DNA samples is 28 days. This is due to the requirement that two (2) biological scientists must review each DNA sample. This process often necessitates reliance on the Broward Sheriff's Office (BSO) for assistance, which introduces additional delays beyond the Department's control. Since BSO prioritizes cases from multiple agencies, the timeline for reviewing samples submitted by Fort Lauderdale can vary, further extending processing times.

An additional Forensic Specialist would significantly reduce these delays, allowing the Department to process and validate DNA samples internally, resulting in faster case resolutions and improved clearance rates. With this additional position, the average processing time for DNA samples could be reduced from 28 days to approximately 14 days. This enhancement would ensure more timely evidence analysis, supporting the Investigations Bureau in solving cases efficiently and effectively.

**Can this function be better if performed by a third party? Why or why not?**

No. This is a highly specialized position requiring knowledge and capabilities far beyond a regular biological scientist and the candidate must pass rigorous background reviews.

**Will this request have space needs?**

No. This position will be housed at the BSO Crime Lab, where the necessary infrastructure, equipment, and accreditation are already in place to support DNA analysis operations.

## Police Department

**Priority Number:** 6  
**Title of Request:** Police Department Reorganization  
**Request Type:** Program - Revised

New Position(s)	Position(s) Eliminated:	Change in Part-Time:	Total Change in FTEs:	Expected
0.00	0.00	0.00	0.00	10/2025

**Basis of Justification: Improvement, revenue generating, mandated, cost reduction, workload change. Please state what will be the consequence if this request is not funded?**

The Police Department is undertaking a reorganization aimed at streamlining operations, increasing efficiency, and aligning personnel with current operational needs. This reorganization formalizes the Department's current structure and is not expected to result in any financial impact.

The primary initiative associated with this request is the creation of a new division entitled the Office of Professional Development. In total, this reorganization involves the movement of 270 positions, including 164 positions transferred between bureaus, as well as the remapping of eight (8) cost centers within the Police Department.

**Creation of the Office of Professional Development (New Division) – 49 FTEs:**

The Department proposes the establishment of the Office of Professional Development (POL06), to streamline onboarding and administrative operations by integrating several previously siloed units. This new office will serve as a centralized hub for recruiting, hiring, training, and personnel oversight -- creating a more efficient and unified structure.

The Office of Professional Development is designed to support the growth of both professional and sworn staff. It will provide comprehensive guidance and active counseling for new employees, addressing a broad range of needs to ensure new employees are successfully integrated into the Department.

As part of this reorganization, the following six (6) departmental programs will be realigned under the new office: Internal Affairs, Staff Inspections, Administrative Support, Recruiting, Background Investigations, and Support Services Training. The Office of Professional Development will be staffed with 49 full-time employees transferred from other bureaus within the Department.

**Other Position Transfers Between Bureaus:**

In addition to the major changes described above, the Police Department is proposing the following bureau-level staffing adjustments:

• **Office of the Chief (POL01) – Increase from 24 FTEs to 26 FTEs:**

A net total of two (2) positions will be added to the Office of the Chief, resulting in a final staffing level of 26 full-time employees. As part of this change, the Department requests remapping the Police Finance Administration from the Support Services Bureau, rebranding the program as the Office of Financial Management. This adjustment reflects the Department's commitment to strengthening fiscal oversight and consolidating financial operations under a dedicated office.

• **Support Services Bureau (POL02) – Decrease from 124 FTEs to 72 FTEs:**

The Support Services Bureau will transfer 52 positions to other bureaus, resulting in a final staffing level of 72 full-time employees. This reduction is primarily due to the reassignment of administrative and recruiting functions to the newly established Office of Professional Development.

• **Operations Bureau (POL03) – Decrease from 473 FTEs to 453 FTEs:**

To optimize personnel resources, the Department will restructure the following programs within the Operations Bureau: K-9 Unit, Community Support Unit, Traffic Enforcement Unit, Dive Team Unit, and Operations Support Unit. Personnel from these programs will be assigned to other units within the Operations Bureau and to other bureaus across the Department.

Although these units, including the Community Support Unit, will be restructured in name, their services will continue at the same level, with staff deployed to other units within the Operations Bureau to maintain continuity of support. This restructuring is the Department's first step to increase the number of officers that ultimately are dedicated to patrol-related activities once new hires are brought online. Additionally, this reorganization formalizes the transfer of the Detail Office Administration Program from the Office of the Chief to the Operations Bureau.

Overall, a net of 20 positions will be transitioned from the Operations Bureau, resulting in a final staffing level of 453 full-time employees, primarily to enhance capacity within the Investigations Bureau.

• **Investigations Bureau (POL04) – Increase from 155 FTEs to 176 FTEs:**

In the Investigations Bureau, a total of 21 positions will be added, resulting in a final staffing level of 176 full-time employees. This increase is primarily intended to enhance service levels within the Violent Crimes Division.

**Can this function be better if performed by a third party? Why or why not?**

No.

**Will this request have space needs?**

No.
