## Outdoor Event Ordinance Presentation

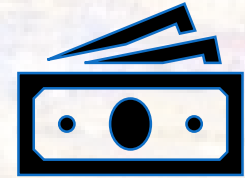

# Board Recommendations to Commission

In favor of the proposed fees associated with the event matrix

Not in favor of adding a fee to ticketed events

Not in favor of a fee reduction for large scaled events

# Commission Direction

**Provide recommendation to restrict the number of events on Barrier Island and Downtown areas.**

- ✓ Barrier Island currently has 197 (2024)
- ✓ Downtown currently have 192 (2024)

# *If* Number of Events are Limited

Applications are received (1) one year in advance (current process)

Only the event dates secured by a multi-year agreement will be permitted prior to 1 year in advance.

Event promoters will be advised that events will be on a first come, first serve basis and will be encouraged to submit their applications at the conclusion of their current event.

If applications are submitted for the same date, time and location, the application received first will take priority. (Highly Unlikely)

We can not pick and choose what events we want and what we do not.

Note: There are always alternate dates, times and locations to accommodate event promoters.

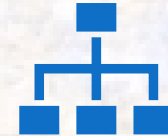

# Additional Ideas to Consider....

Restrict times Road  
Closures are permitted

Restrict lane closures

Identify one route to be  
used for races/runs

# Walk/RUNS are the Most Impactful Events

**LIMIT TO CERTAIN LOCATIONS  
(I.E., SNYDER, AIRPORT)**

**LIMIT NUMBER OF WALK/RUNS  
PER MONTH/YEAR**  
**(NOTE: MAJORITY OF WALK/RUNS  
TAKE PLACE BETWEEN  
NOVEMBER – FEBRUARY)**

**RESTRICT EVENT TIMES  
(CURRENTLY ROADS MUST BE  
REOPENED AT 10:00AM, UNLESS  
GRANTED AN EXEMPTION BY  
COMMISSION)**
