

## LETTER TO THE COMMISSION

**LTC No: 25-222**

**TO:** Honorable Mayor and Members of the Fort Lauderdale City Commission  
**FROM:** Rickelle Williams, City Manager *AW*  
**DATE:** October 30, 2025  
**SUBJECT:** Re-Opening of Bayview Park Tennis Courts

---

The purpose of this Letter to the Commission (LTC) is to inform the City Commission of the re-opening of the Bayview Park tennis courts.

Bayview Park, located at 4401 Bayview Drive, is a popular City Park serving the Bayview community and surrounding areas. The park features athletic fields, a basketball court, open spaces, a playground, a pavilion, and two (2) tennis courts.

Prior to the improvements, the courts were not renovated or resurfaced in ten (10) years. The surface was developing cracks and depressions where water would congregate, allowing mold to grow creating an unpleasant visual appearance and, if left untreated, would become a safety hazard.

In June 2025, the City, via the Parks and Recreation Department, solicited quotes from contractors for the court repairs. The Department installed signs to inform residents of the tennis court closure, indicating that the renovation work commenced on August 12, 2025, with an anticipated construction period of two (2) months. The closure was necessary to allow Fast Dry Court, Inc. (the contracted vendor) to complete the work efficiently while ensuring a secure environment around the construction site.

The total cost of the renovation project is roughly \$45,000. The project improvements included asphalt repairs, net post and footer replacement, complete resurfacing, and the reduction of on-court water retention. In addition, this renovation included replacement of 480-linear-feet of windscreens that surround the tennis courts. The renovation project was completed on Friday, October 24, 2025, and the courts have been re-opened for play.
