Rev: 3 | Date: 4/08/2025

## Section A

- 1. Summary of the proposed ordinance, to include the public purpose to be served by the proposed ordinance, such as serving the public health, safety, morals, and welfare of the City.**

The proposed ordinance amends Section Twenty-Four (24)-Twenty-Seven (27)(b) of the Code of Ordinances to remove the existing fee-based approach that directs City staff to relocate improperly placed solid waste containers and instead enforce improper container placement as a civil violation pursuant to Chapter Eleven (11) of the Code of Ordinances.

- 2. Estimate of direct economic impact of the proposed ordinance on private, for-profit businesses in the City.**

- a. Estimate of direct compliance costs that businesses may reasonably incur if the ordinance is enacted.**

The proposed ordinance is not expected to impose compliance costs on businesses.

- b. Identification of any new charge or fee on businesses subject to the proposed ordinance or for which businesses will be financially responsible.**

The proposed ordinance does not impose any new fees or charges specific to businesses.

- c. An estimate of the City's regulatory costs, including an estimate of revenues from any new charges or fees that will be imposed on businesses to cover such costs.**

The proposed change in ordinance is specific to residential trash cart placement.

- 3. Good faith estimates of the number of businesses likely to be impacted by the proposed ordinance.**

No businesses will be impacted by the proposed change in the ordinance.

- 4. Any additional information the City may deem to be useful.**

The proposed ordinance revision includes a sixty (60)-day community outreach and education period following Commission approval and prior to full enforcement. During this period, the City will work with Strategic Communications and Customer Support to inform residents and businesses of the enforcement change and reinforce proper container placement requirements.
