Purpose: The purpose of the Infrastructure Advisory Board is to review existing and proposed City infrastructure, maintenance, and improvement programs, including: stormwater infrastructure, water and wastewater (sewer) distribution, collection and treatment systems, seawalls, bridges, roads and sidewalks, to receive input from members of the public interested in infrastructure, and to provide reports with recommendations to the City Commission regarding improvements, maintenance, and priorities as well as financing alternatives for said improvements; to evaluate and provide a recommendation on specific matters requested by the City Commission or City Manager as spelled out in Ordinance C-26-07.

NOTE: Two or more City Commissioners and/or Advisory Board may be present at this meeting. If any person decides to appeal any decision made with respect to any matter considered at this public meeting or hearing, he/she will need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based. If you desire auxiliary services to assist in viewing or hearing the meetings, or reading meeting agendas and minutes, please contact the City Clerk's Office at 954-828-5002 at least two days prior to the meeting and arrangements will be made to provide those services for you.
